The Unkindness of Ravens

**The Unkindness of Ravens** M. E. Hilliard 2021-04-13 Librarian Greer Hogan matches wits with a deviously clever killer in M.E. Hilliard's chilling series debut, ideal for fans of Louise Penny and Dorothy L. Sayers. Greer Hogan is a librarian and an avid reader of murder mysteries. She also has a habit of stumbling upon murdered bodies. The first was her husband's, and the tragic loss led Greer to leave New York behind for a new start in the Village of Raven Hill. But her new home becomes less idyllic when she discovers her best friend sprawled dead on the floor of the library. Was her friend's demise related to two other deaths that the police deemed accidental? Do the residents of this insular village hold dark secrets about another murder, decades ago? Does a serial killer haunt Raven Hill? As the body count rises, Greer's anxious musings take a darker turn when she uncovers unexpected and distressing information about her own husband's death...and the man who went to prison for his murder . She is racked with guilt at the possibility that her testimony may have helped to convict an innocent man. Though Greer admires the masters of deduction she reads about in books, she never expected to have to solve a mystery herself. Fortunately, she possesses a quick wit and a librarian's natural resourcefulness. But will that be enough to protect her from a brilliant, diabolical murderer? And even if Greer manages to catch the Raven Hill killer, will living with her conscience prove a fate worse than death?

**Virginia Woolf and the Lust of Creation** Shirley Panken 1987-01-01 "Every secret of a writer's soul, experience of his life, and quality of his mind is written large in his work." -- Virginia Woolf Panken enables us to read this secret language without doing violence to the artistic integrity of the writing. Virginia Woolf's continuing need for maternal protection, her physical symptoms, depressive bent, anorexia, and suicidal leanings suggest her vulnerability, inner struggle, and masked rage. This book delves into the substrate of Virginia Woolf's emotional dilemmas as well as the subtexts of her novels and shows the confluence between her life and art. It brings new insights into Woolf's struggle to come to grips with her confused personal and sexual identity, into her artistic conscience, and into the conditions and motivations of her suicide.

**The Ten Greatest Revivals Ever** Elmer L. Towns 2004-01-31 Over the centuries God has touched the earth with revival, lifting men and women into his presence in extraordinary ways. If you want to understand revival and if you long to see revival in our day, this book will speak to both your mind and your heart.

**The Gay Male Sleuth in Print and Film** Drewey Wayne Gunn 2005 In 1953, Rodney Garland's The Heart in Exile was published, marking the first time a gay sleuth was featured in a novel. Although nearly ten years would pass before another figure of this kind would appear in print, such characters have increased significantly in the years since. Providing a context for this unique subgenre, scholar Drewey Wayne Gunn examines the history of the gay male sleuth - from its beginnings in that first novel, through the pulp novels of the 60s and 70s, and then into mainstream works that continue into the 21st century. In his overview, Gunn argues that the cognitive processes the sleuth must follow in order to solve the mystery function as a paradigm of the stages of self-actualization all gay men go through in order to achieve wholeness. The second part of this volume is an annotated bibliography listing books with gay and bisexual sleuths and secret agents that appeared between 1953 and 2004. Also included are annotated lists of other books of interest (1929-2004), books where the gay sleuth has only a supporting role, does not self-identify as gay (but seems to qualify as homosexual or bisexual), ends up in a homoerotic relationship, or is involved in a more psychological question rather than a true mystery. The third section is an annotated bibliography listing films and videos with gay sleuths that appeared from 1966-2004, along with other films and videos of similar interest, from 1948 to 2004. The author provides a list of relevant critical and bibliographical resources as well as a list of the Lambda Literary Awards finalists from 1988 thru 2004. The index lists all titles, writers, and sleuths. With more than 600 novels, over 100 movies, and nearly 20 television or video series, this is the most comprehensive bibliography ever assembled on this unique subgenre.

**The Cypress House** Michael Koryta 2011-01-24 A journey to Florida's coast becomes an inescapable nightmare in the newest supernatural thriller from international bestseller Michael Koryta. Arlen Wagner has seen it in men before--a trace of smoke in their eyes that promises imminent death. He is never wrong. When Arlen awakens on a train one hot Florida night and sees death's telltale sign in the eyes of his fellow passengers, he tries to warn them. Only 19-year-old Paul Brickhill believes him, and the two abandon the train, hoping to escape certain death. They continue south, but soon are stranded at the Cypress House--an isolated Gulf Coast boarding house run by the beautiful Rebecca Cady--directly in the path of an approaching hurricane. The storm isn't the only approaching danger, though. A much deadlier force controls the county and everyone living in it, and Arlen wants out--fast. But Paul refuses to abandon Rebecca to face the threats alone, even though Arlen's eerie gift warns that if they stay too long they may never leave. From its chilling beginning to terrifying end, The Cypress House is a story of relentless suspense from "one of the best of the best" (Michael Connelly).

**Moon Tiger** Penelope Lively 2007-12-01 Winner of the Man Booker Prize Penelope Lively won Britain's prestigious Booker Prize for this deeply moving, elegantly structured novel. Elderly, uncompromising Claudia Hampton lies in a London hospital bed with memories of life fluttering through her fading consciousness. An author of popular history, Claudia proclaims she's carrying out her last project: a history of the world. This history turns out to be a mosaic of her life, her own story tangled with those of her brother, her lover and father of her daughter, and the center of her life, Tom, her one great love found and lost in war-torn Egypt. Always the independent woman, often with contentious relationships, Claudia's personal history is complex and fascinating. As people visit Claudia, they shake and twist the mosaic, changing speed, movement, and voice, to reveal themselves and Claudia's impact on their world.

**Myth and History** W. Jeff Bishop 2016-09-28 Rossville and Ross' Landing and ferry grew up together in the years following the War of 1812. John Ross, a veteran of that war and future chief of the Cherokee Nation, founded commercial ventures both at the Tennessee River and along the Federal Road, just south of the river, taking full advantage of personal and professional relationships he and his father had established with merchants in the North, and most especially with the family of U.S. Indian Agent Return J. Meigs. Ross built both his home and a warehouse directly on the Federal Road, providing easy commerce to the steady streams of traffic, but there is no trace of either of these buildings at their original sites today. To find the John Ross House, one has to venture a little farther afield, to the quiet springs lurking just south of the main road. W. Jeff Bishop develops a new narrative surrounding this historic Native American home.

**Jack the Ripper in Film and Culture** Clare Smith 2016-08-29 In 1888 the name Jack the Ripper entered public consciousness with the brutal murders of women in the East End of London. The murderer was never caught, yet film and television depicts a killer with a recognisable costume, motive and persona. This book examines the origins of the screen presentation of the four key elements associated with the murders – Jack the Ripper, the victims, the detective and Whitechapel. Nineteenth-century history, art and literature, psychoanalytical theories of Freud and Jung and feminist film theory are all used to deconstruct the representation of Jack the Ripper on screen.
